VolunTeens Rules and Guidelines

VolunTeens is an elite volunteering program for dedicated library volunteers that runs September thru May. The program is intended for students looking to commit on a long-term, regular basis and is designed to facilitate unique volunteer opportunities for committed teens to work on special library projects. You will learn all about event planning and execution, hone your creative and crafty skills, and build your resume! Although participants can use their time with us to fulfill school community service hours, this program is **not** intended for students wishing to come just once or twice to complete a required number of hours for school*.

VolunTeens will meet on the second and fourth Thursday of the month from 6:30 to 7:30 pm. Attendance to at least one meeting a month is required.

*If you are looking for one-off volunteer opportunities that can be used to complete required school hours, or if you are a VolunTeen looking for additional volunteer opportunities, please visit <https://www.franklinma.gov/franklin-public-library/pages/volunteer-opportunities>.
